# Protect Your Family's Home

Your home may be your biggest investment, but protecting your family in the event of your death is your biggest responsibility.

That's right, your family depends on you to provide for them every day, to make the mortgage payment every month and to provide the opportunity for a college education for your children. In the event of your death, will the future be bright or will your family struggle?

Family Life offers you the opportunity to provide a bright future for your family through mortgage protection insurance. By selecting an adequate amount of coverage and maintaining it in force, you can . . .

- Provide for final expenses
- Pay your mortgage in full
- Provide for your children's college education
- Provide for every day living expenses

Avoid pressured decisions and possibly a financial crisis for your family by purchasing mortgage protection insurance with Family Life, ***Where Family Comes First.***
